Spring Quarter 2012 Course Descriptions

Classes	Description
Authority of the Believer	The objectives of this course is to equip the students with the knowledge of our God given authority and to empower them to live the life of an over comer.
Effective Leadership	This course deals with the role of the Christian as a leader in his job, church, school, home, community and nation. In this course, students will learn what it takes to be a good leader. Topics include: submission and authority, wisdom, organization and time management. The goal of this course is to provide students with the tools necessary to become the leader the Lord has called them be.
Old Testament Survey	In this course each student will gain a general knowledge of the theme and content of each Old Testament Book. The student will trace the great theme of redemption throughout the Old Testament, noting the central figure is the Lord Jesus Christ.
Evangelism & Discipleship	Jesus gave the Church a mandate just before His ascension into heaven. It is called the Great Commission. Within this mandate there are some specific instructions regarding evangelism and discipleship. In this course of study, the Believer will discover God's pattern of church growth through the principle of "reaping and keeping."
The Book of Romans (Righteousness)	This study of the Book of Romans will give students a greater revelation of their righteousness in Christ. Students will learn how a fruitful relationship with God comes by having a foundation of who we are in Him.

Church History	This study covers the origin, history, reformation, and purpose of the church. The missionary movements of Martin Luther and his contributions will be discussed, as well as how the book of Acts and Philippians are biblical models for the church.
The Book of Revelation	In this course, the student will learn the revelation of Jesus Christ as it relates to future events. Each student will gain a working knowledge of topics such as letters written to the seven Churches, the seven Dispensations, the Rapture, the Second Coming of Christ, the Millennial Kingdom, The Resurrection, Final Judgment and the New Jerusalem.
World Religions	This course discusses the differences between biblical Christianity and other faiths. The basic tenets of Protestantism, Roman Catholicism, Eastern Orthodoxy, Judaism, Islam, Hinduism, Buddhism, Jehovah's Witnesses, Christian Science, New Age, Mormonism and other religions and belief systems of the world will be studied in light of biblical truth.
