

Miles4Mission Confession

Saturday, August 30th 2025

Father God we come to you as one team, one spirit and one body united to change lives! We decree and declare that lives will be changed at the 2025 Miles4Mission run and Health Fair. As the word says in Joshua 1:3 Every place that the soles of our feet tread upon, that has the Lord given us... We believe every participant will prosper in Health, Wellness and Fitness. We are changing lifestyles of how people view their overall health and bodies!

Father God we ask that you bring participants from the North, South, East and the West. That we will have an overflow of registered participants and that our goal of 250 to 300 will be met. We ask that you bring vendors and health professionals to bless all that attend the event. We stand in agreement that people will contact us to participate. We pray that those we have contacted will follow through and provide great services.

Father God, in the name of Jesus we thank you for the Miles4Mission run and Health Fair. That this will be a fun spirit-filled day and the weather will be perfect for running and walking. We bind the enemy and release angels to protect every participant along the running and walking path. There will be great fellowship as each participant is informed and blessed by the event. The light of Jesus will shine down on every participant, every volunteer and every speaker will speak with the oracle of God. The information provided will be the right information, at the right time, to the right people, in the right place, and it will help to change, shape, and save lives. The information shared at this event will increase longevity, health, awareness, and knowledge of their physical, and mental bodies, participants and their families. We declare with long life will we be satisfied. Father God, we thank you for bringing anointed speakers and vendors to the Miles4Missions race that will bless all that hear them and interact with them. People will leave empowered, with knowledge to save and or improve their lives and have skills to ward off sickness and disease. We decree that all expenses will be covered and that we will have an excess of funds after meeting our expenses to sow into Missions Out Reach.

We decree and confess all of this in the Mighty name of Jesus, Amen.
