

2024 Business Leadership Conference Prayer Confession “Next Level Entrepreneurship”

March 22nd & 23th, 2024

Heavenly Father, we thank You for a great outpouring of Your Spirit throughout the 2024 Business and Leadership Conference. Lord, we pray for divine encounters with the Holy Spirit to impart 4D wisdom, grace-knowledge and business acumen. We declare the creation of new kingdom businesses, the enlargement of new and existing businesses with unlimited streams of income. We decree that every attendee is supernaturally launched into next level entrepreneurship that guarantees marketplace dominance, global kingdom influence to eradicate poverty and restore the waste places in Jesus’ Name.

We agree and declare that:

- Multitudes of people from every nation are drawn to our platforms with joy, faith and expectation that demands signs, wonders and miracles.
- The Holy Spirit speaks through our speakers with power and demonstration releasing continuous downloads of next level inventions, disruptive innovation, leading-edge business concepts, products and services and supernatural wealth strategies.
- As kingdom wealth distributors, we have access to the treasury of heaven and the budget for this conference is exceeded now.
- Unprecedented harvests of souls are born again and added to the church in every session.
- The musicians and singers are anointed with heavenly praise and worship that removes burdens and destroys yokes.
- Our staff and volunteers are empowered to serve in love, excellence, expectation and joy.

We bind spirits of witchcraft, sorcery, occult, divination, and mind-control. We renounce every hex, vex, spell and curse of poverty, doubt, and toil in Jesus’ Name. Through the blood of the eternal covenant we receive power, riches, wisdom, strength, honor, glory, and The Blessing in Jesus’ Name.

God-of-the-Angel-Armies, we thank You for next level entrepreneurs and wealth dominators that the world has never seen in Jesus’ Name. Amen!
