

**Dr. Bill Winston Statement Regarding
Brother Kenneth Copeland's Remarks
During the 2020 International Faith Conference**

This ministry has hosted our annual faith conference with these same speakers for more than twenty years. These speakers have proven each year to be good messengers of the gospel of Jesus Christ and the Word of faith. I have never used my pulpit for political purposes and I will continue that policy and position.

If a political statement has been said from my pulpit, please let's not get distracted. The mission of this ministry and these faith conferences is for one purpose only – to build your faith in the Word of God and to get those who don't know Jesus Christ saved and born again.

This is your week of manifestation! Please don't let anyone or anything steal your victory that is coming to you this week.
