## IN COURT CASES

Father, in the name of Jesus, it is written in Your Word to call on You and You will answer me and show me great and mighty things. I put You in remembrance of Your word and thank You that You watch over it to perform it.

I say that no weapon formed against me shall prosper and any tongue that rises against me in judgment I shall show to be in the wrong. This peace, security, and triumph over opposition is my inheritance as Your child. This is the righteousness which I obtain from You, Father, which You impart to me as my justification. I am far from even the thought of destruction, for I shall not fear and terror shall not come near me.

Father, You say You will establish me to the end – keep me steadfast, give me strength, and guarantee my vindication; that is, be my warrant against all accusation or indictment. Father, You contend with those who contend with me, and You prefer that which concerns me. I dwell in the secret place of the Most High, and this secret place hides me from the strife of tongues, for a false witness who breathes out lies is an abomination to You.

I am a true witness and all my words are upright and in right standing with You, Father. By my long forbearing and calmness of spirit the judge is persuaded, and my soft speech breaks down the most bonelike resistance. Therefore, I am not anxious beforehand how I shall reply in defense or what I am to say, for the Holy Spirit teaches me in that very hour and moment what I ought to say to those in the outside world. My speech is seasoned with salt.

I thank You, Father, that Satan and all menacing spirits are bound from operating against me, for I am strong in You, Lord, and in the power of Your might. Your shield of faith quenches every fiery dart. Thank You, Father, that I increase in wisdom and in stature and years, and in favor with You, God, and man. Praise the Lord! Amen.
