WELCOME

Veronica and I, along with our staff and church family, would like to welcome you to Living Word Christian Center ("LWCC")

We are glad that you decided to make this your church home and invite you to be part of all the wonderful things that God is doing here. Most people who encounter our ministry at Living Word Christian Center eventually ask how all this got started. The answer, of course, is by faith in God. If I could summarize in a few words the vision that God has given me for Living Word Christian Center, it would be that we are a ministry fulfilling the "dominion mandate" spoken by God in the book of Genesis, and demonstrated by Jesus as He healed the sick, made the blind to see and the lame to walk, and set the captives free. It is a mandate to establish God's Kingdom within every individual, family, business, school, neighborhood, city and nation to prepare for the return and reign of the Lord Jesus Christ. This mandate requires empowerment – spiritually and economically. Through the various ministries and business entities here at Living Word, we are teaching people how to live empowered lives through the Word of God. Living Word has almost 20,000 members made up of 21 nationalities, and God continues to increase us more and more. Although we are blessed to own and operate a 33-acre shopping mall that is the home of our award-winning worship center and numerous ministry and administrative offices, we are still a church without walls because God's church is His people. He rules, reigns, and shares His love through us. We are here to serve you and your family, and pray that you will be blessed by being part of this ministry.
