

Mighty Men of God—Kings and Priests, Husbands and Fathers

Heavenly Father, we lift up Your original design and eternal intent for man who is formed in Your likeness and image. You have given men dominion in the earth—as gods, servant-leaders, priests, providers, and protectors. We release word power to call men back to Eden—back to The Blessing, back to the presence of the Lord, back to their purpose, power and position in Jesus' Name.

We plead the blood of Jesus over men and decree restoration and The Blessing on their God-given identity as joint-heirs with Christ. We bind witchcraft, sorcery, occult, hexes, and spells. We cast down confusion, mind blindness and mind controlling spirits in Jesus' Name. We loose clarity of mind and the mind of Christ to make righteous decisions and blot out old mindsets. We speak to false labels spoken to men and command them to fall off now. Lord, execute vengeance and recompense on behalf of the men. We declare, men, that you are not who culture says you are; you are who God ordained you to be. We decree that fathers are restored; sons and prodigals return to their father's house and generational curses are broken in Jesus' Name.

We use our word power to command dormant gifts to be resurrected, callings to be re-ignited with the fire of God, and men made whole. We declare that every plant of arrested development and passivity is uprooted. We decree the manifestation of the sons of God to come forth. Father, restore vision, responsibility and honor to every man. We break the chains of absenteeism, fatherlessness, irresponsibility, and fear. We loose the spirit of boldness, holiness and wise leadership upon our men now in Jesus' Name.

Father, be glorified in the revival of godly men as builders of families, ministers of reconciliation, mentors, and influencers for the Kingdom of God. As carriers of legacy, men are ruling as prophets in their homes, priests in their communities, and kings in their domain in Jesus' Name. Amen.
