

Prayer to God to Stop Coronavirus

Father God, we come to You to stand in the gap before You for the land, that it not be destroyed, but be filled with Your glory. Now is the set time for the greater works, so we pray You will stretch forth Your hand to heal the land. We repent on behalf of all nations that have turned their backs and their ways against You. Be merciful to our unrighteousness, and remember our sins and iniquities no more. Be gracious to us, and turn the curse into a blessing that You may be glorified, and Your laborers may bring in Your harvest.

Lord, we put You in remembrance of Your delegated authority to the Church to bind and loose. We bind satan, the spirit of fear, and this coronavirus in the Name of Jesus. No man shall eat fruit of thee hereafter forever. We loose every person infected by this virus and release healing virtue to stop this plague.

Father God, our President's and political leaders' hearts are in your hand. Direct every decision to be consistent with Your divine will. Give them wisdom to bring stability to our times. We look to You alone to bring salvation to all of mankind. In Jesus' Name, amen.
