

Vengeance Prayer to Release What Belongs To Us

Heavenly Father, we come boldly into Your presence through the blood of Jesus Christ to obtain mercy and find grace. You are the living God; there is no god besides You. The day of vengeance is in Your heart and we declare that today is the day of vengeance in the camp of the enemy.

Lord of vengeance, recompense tribulation to satan for blocking, sabotaging, and delaying financial opportunities and progress for us. Let every devil encroaching and squatting on our land, health, families, church, bank accounts, investments and businesses be consumed by the fire of God's vengeance now in Jesus' Name. We decree that all the gods of the land controlling the wealth are destroyed by divine vengeance. We execute the judgment of God against principalities, powers, rulers of the darkness of this world, and spiritual wickedness in high places. Let the vengeance of God manifest now to undo, destroy, loosen and dissolve the works of the devil. We command the gods of the land to loose and let go of testimonies of healings and deliverances, financial breakthroughs, witty inventions, innovative ideas, unlimited streams of income and profitable returns on every seed sown in Jesus' Name.

As it was in the days of Egypt, Lord let Your vengeance show up now with anger and furious rebukes binding the strongman, every witch, sorcerer, warlock, diviner and enchanter gathered together against us and our seed in Jesus' Name. We execute the judgment of God against every hex, vex, spell, jinx, occult, bewitchment, work of witchcraft, spirits of fear and deception in Jesus' Name. Let the fear and terror of God come upon every agent and assault of the devil resisting the release of our divine harvest, even the souls of our unsaved loved ones. We declare that none of our adversaries will escape the justice system of God. We command the devil to cough up, spit out and release all that belongs to us, our seed, and the economy of the Kingdom of God.

God of the Angel Armies, cause demonic agents to panic and run in terror at the sound of Your angelic hosts. We decree the enemies that we see today, we shall see them no more forever. We declare financial stagnation, scarcity and restraint are drowned in the Red Sea. Lord of vengeance, silence the accuser of the brethren contending with our destiny. Lord let Your vengeance and grace-knowledge speak loud on our behalf declaring that we are the lender and not the borrower; the head and not the tail; above only and not beneath. We declare the recompense of God—All debts are cancelled—God says so.

Let the vengeance of the Lord make the thief pay us seven times what he stole from us, plus all the substance of his house and double for our shame. By the blood of the everlasting covenant of Jesus Christ, we invoke the vengeance of the Lord for signs, wonders and miracles to change our status overnight to millionaires and even billionaires on the Forbes list of the wealthiest people in Chicago, in Jesus' Name, Amen!
